

ADVISORY ON PHILIPPINE PASSPORTS USED AS COLLATERAL

All Filipinos in Shanghai, Anhui, Hubei, Jiangsu and Zhejiang are reminded that in accordance with Foreign Service Circular No. 214-99 of 19 August 1999, Philippine passports reported held as guarantee or collateral for loans/obligations are automatically cancelled upon notice by the passport holders.

The cancellation of the said passport therefore renders the document invalid for purposes of guaranteeing payment of loans/obligations.

All are reminded that Philippine passports are property of the Government of the Philippines and shall not be used for purposes other than what they are intended for.
