

ADVISORY

This refers to the earlier advisory on the one-time financial assistance from the Philippine Government to Filipinos under the jurisdiction of the Philippine Consulate General in Shanghai.

The first batch of recipients of assistance may get in touch with the respective leaders to whom they were assigned in the list attached to this advisory. The Filipinos in the first batch are those whose names were submitted to the Consulate on 28 February 2020 by the Filipino community leaders during the town hall meeting held at the Consulate.

The second batch of recipients will be active member of the Overseas Workers' Welfare Administration. The recipients will be based on the list of active OWWA members in the areas under the jurisdiction of the Consulate (Shanghai and the provinces of Anhui, Hubei, Jiangsu and Zhejiang). This list and the corresponding funds are still being prepared by OWWA as of the release of this advisory.

The third batch of recipients will be those who are not in the first and second batches but also need food assistance. As in the first batch, the funds for this will be sourced from the Department of Foreign Affairs.

The release of the assistance to second and third batches will be announced on this website as soon as the funds are available.
